

David Crouse
President

We are a company founded on **respecting and valuing *all* people**, and engaging in high ethical standards that inform how we interact with each other, with our customers and partners, and in the communities where we live and work.

We are firmly committed to continue strengthening our inclusive culture, as we are a reflection of the diverse people, customers and communities we serve.

Kendra Keller
*Vice President & General Manager,
North America*

I am extremely proud to be a leader at DFS, where we foster a culture of respecting and valuing our people, and support an inclusive environment where all people are seen, and all voices are heard.

Deepak Martin
Vice President, Human Resources

An equal world is an enabled world, and it's our growth mindset at DFS that allows us to truly cultivate excellence in how we respect and value people, which is core to who we are and what we do.

We are committed to nurturing this inclusive environment for our people, ensuring that we listen to each voice, and respond with empathy and action.

Lise-Lotte Nordholm

***Vice President, Dispenser Engineering
& New Product Development***

Our culture at DFS holds each of us accountable for our thoughts and actions. It's our choices that allow us to challenge stereotypes, fight biases and perceptions, and improve situations and really celebrate women's achievements.
